

**SANTA BARBARA CITY COLLEGE**

**Chemical Hygiene Meeting**

July 14, 2022

10 am - 11 am

via Zoom

**Present:** Adrienne Betty, Jennifer Wachholz, Sam Hammond, Tracy Reynolds, Cecelia Contreras Martinez

**Review of June Minutes:**

The minutes were reviewed and approved.

**Facilities Project Updates:**

Tracy is okay with relocating the large refrigerator in PS-219 as long as there is access to a small cube refrigerator within the classroom. Experiments performed in PS-219 do not require anything larger than 1 liter to be stored within the classroom. She also asked if the oxidizer refrigerator can be relocated to PS-208A. We will look into this and report back.

**QUERIES PRESENTED DURING MEETING:**

Jennifer Wachholz advised the prep area (EBS-331) does not have an emergency flip chart. Adrienne Betty will have Campus Safety deliver three emergency flip charts to Jennifer.
